

**City of Portland, Maine
Finance Committee
Public Record of Proceedings**

In an effort to improve customer service, provide comprehensive open access to meetings, and provide the public with additional live and archived video streaming options, the City of Portland now live streams all City Council and Council Committee meetings. The public records of proceedings are retained and available to the public in compliance with [Maine Revised Status on Public Records of Proceedings](#). Complete video recording of the meeting can be found at the link below:
